AN URBAN OASIS

For those not quite ready to jump on a plane yet, Anantara The Palm Dubai Resort provides all you need for a summer adventure without packing your passport. Offering a beach escape in the city, the sprawling tree-flanked property offers a touch of Thailand, with its design, thoughtful service and beautiful wooden over-water villas (the only over-water villas in the UAE). Take advantage of this tropical enclave with its Exclusive Summer Villa offer, that gives guests 30 per cent off in a beach or over-water villa, with complimentary breakfast. When it's time to explore, you'll find seven restaurants (Mekong is an insider favourite), the colourful Tuk Tuk Kid's Club for little people, a lagoon, watersports, boat cruises and Anantara Spa for you... Time to relax.
