By Christopher A. Page & Valerie Vitale

Explore island life, dance through the treetops, relax in an award-winning spa. Per Aquum Niyama Maldives offers both exhilarating adventure and extraordinary relaxation with twin islands, Play and Chill. Spend time in the clouds while taking a 40 minute seaplane flight above the Maldives from Male International airport. Arrive onto white sanded beaches and be greeted by the best hospitality team in the country before checking into your luxurious island home.

For an intimate getaway, stay in the Beach Studio. Relax in 135 square meters of island paradise mingled with luxury. Sway on the Dhoni swing on your private deck with a gourmet drink or treat from the full-sized refrigerator. If you are missing something, call your personal Thakuru - the Maldivian butler service. Relax in the open air shower beneath the swaying palm trees and

take in views of the crystal clear lagoon. Walk hand-in-hand through lush island gardens to the never-ending horizon of the beach. Wake up in the king-sized bed to the coolness of white decor with invigorating red accents.

If you are taking the entire family, the three bedroom Family Beach Pavilion can accommodate up to nine people. Be greeted by an island foot ritual and bask in nature's treats with fresh coconuts delivered daily. Relax and enjoy with a private spa treatment while the children go on an adventure of their own at the Explorer's Children's Club. Overlook the Indian Ocean from the infinity pool or go for a swim in the pool at the end of the master suite. Gather around the outdoor dining tables for a meal finished by a cigar from the humidor. Sip champagne in the bubbling jacuzzi under the stars for dessert.

Dining has been transformed into a fantasy on these twin islands. Enjoy all day Mediterranean dining on the Isle of Play at Blu. Arise in the early hours to lounge by the infinity pool and gaze at the ocean while drinking smoothies, gourmet crustinis and eggs 12 ways. Stop by for dinner and dine under electric blue lights creating a purple haze. Bite into the Maldivian Fish Fillets for a fish fresh out of the water daily.

Surround yourself with glowing shades of yellow in the all day dining experience on the Isle of Chill at Epicure. Sit poolside and select whatever you desire from the extensive buffet. Dreamily descend down a three-tier staircase into the underwater playground, Subsix. The blue ocean light illuminates an elegant decor where every detail is inspired by the ocean. Shells delicately draped from the ceiling create depth for the light to dance. The chic chairs are designed to look like Anemone, an

underwater flower. Indulge in the Edge Martini with sweet strawberries, basil, gin, Absolut vodka and fresh lime while swimming in the aroma of gourmet meals.

Chill or play with endless activities. Go under the surface to experience the Indian Ocean. Snorkel around the enchanting reefs or swim with the Hammerhead sharks.
